ROSS

A BUYERS' GUIDE, containing Classified Lists of Customers of Business Telephone Service of the Illinois Bell Telephone Company. Names are arranged in alphabetical order, under headings generally descriptive of the type of business or profession.

As an added service to users of this directory as well as to themselves, many business telephone customers have purchased additional directory representation consisting of listings, night telephone numbers, office hours, and advertising.

It's easy to find it fast in the *YELLOW PAGES*

WHEN YOU WANT TO BUY SOMETHING . . .
Look for the classification which describes the product or service desired. Then select the individual or concern with whom you wish to deal.

WHEN YOU ARE LOOKING FOR A TRADE MARKED PRODUCT OR SERVICE . . .
Turn to the appropriate classification and find the name of the product or service listed alphabetically within the column. Select your dealer from those listed under that brand name.

WHEN YOU'VE FORGOTTEN ALL OR PART OF A BUSINESS FIRM'S NAME . . .
Turn to the proper classification and you will find all the companies listed alphabetically by name. Then all you have to do is check those listed for the name or location you recognize.
